Drama: We are offering students opportunities to rehearse for their final exam pieces after school and during lunchtimes. Please see individual teachers for dates and times of these sessions.

History revision sessions - the History GCSE course was completed in December 2016. From January through to May we are completing a programme of revision lessons in lesson time. During this time all Year 11 History pupils will be producing their own revision guides with guidance from their teachers. The revision programme aims to develop a

variety of revision techniques which help knowledge recall as well as improving the exam skills necessary for success in the summer. Year 11 History homework will consist of past paper questions and further revision activities. The revision completed in class only supplements their own revision at home i.e. all Year 11 History pupils are expected to revise at least 20 hours for this subject before the summer exam.

English: See table below.

Geography: After school sessions. See table below.
