Dear Parents / Guardians,

Re: Additional Funding for Your School

We would like to encourage all eligible parents to apply for additional funding for the school via the Free School Meals system. In signing up you will help us to find out whether we can claim pupil premium for your child. This is additional funding that the school can receive and can spend on providing a range of resources such as revision clubs and materials, literacy and numeracy support, careers advice and work related learning activities, extended curriculum courses and school trips. Your child will also be able to receive a free school meal each day.

You can find more information on the school website <http://www.st-pauls.org.uk/parents/school-meals>

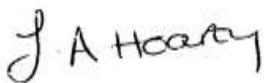

To find out if you are eligible to apply for this additional funding for the school and receive free school meals for your child please visit Milton Keynes Council's new online portal. This is now the **only** way you can apply for free school meals. If you have not visited the portal before you will need to register your account. Parents and carers can find the portal here https://emsonline.milton-keynes.gov.uk/CitizenPortal_LIVE

If you do not have access to the internet please let us know and we can arrange for you to access this service on site at St Paul's.

Please register with the portal, even if you have applied and been unsuccessful in the past. By doing so Milton Keynes Council will have your contact details and can inform you straight away if your eligibility changes.

Registering for this additional funding really makes a difference to all at St Paul's and continues to support your child's education.

Yours faithfully
