

Governor Biographies

Tola Adesina (Foundation Governor)

Tola joined the Governing Board at St Paul's in August 2017 and works within the Curriculum & Teaching and Pay Review committees. He lectures in Finance at Coventry University and is also Director of the Coventry Business School Academic Trading Floor. A keen academic researcher, Tola has had work published in international peer reviewed journals as well as the Financial Times.

Tola has also led several outreach programmes for schools and other financial literacy initiatives aimed at encouraging academic progression among school children.

As a lifelong Catholic, and having been educated at a Catholic School himself, Tola is also committed to ensuring the continued development of Catholic Education. Tola hopes that his service as a Governor will help improve the quality of education for pupils at St Paul's and promote equal opportunities for all pupils.
