Information for Pupils in years 7-11:

Your teachers will work with you to help you develop the skills you need for life and employment. You will receive information about placements and work opportunities and will meet people from the world of work, who could help you to acquire the skills needed to be successful in work.

St Paul's school is committed to help you to realise your potential, so you can do what you love when you leave school.

To become more employable after education you could:

- Take up a hobby
- Join a club
- Take part in charity and fundraising
- Volunteer
- Stand for election to the student council
- Take part in sport

You are entitled to a career's guidance interview during year 11. To help you prepare for a career's guidance meeting, you may want to think about:

- What jobs and careers you are interested in
- How you are doing in your different subjects at school
- What else you do in or out of school e.g.: sports, music, other activities
