

Independent Learning Timetable 2021-2022

We know that when pupils regularly complete high quality Independent Learning it is associated with a significant increase in outcomes by the end of Year 11.

In order to ensure that our pupils gain from these benefits we provide Independent Learning on a regular basis. The learning will consist of a variety of tasks including online learning, reading, projects and revision. Independent Learning is set electronically and is available to view through the calendar on itslearning. Parents are encouraged to refer to the [IL toolkit](#) to see how they can support their children to be most successful with Independent Learning.

Parents of pupils in Year 9 and above are also encouraged to familiarise themselves with the [Study Skills](#). These are the skills that will enable pupils to prepare successfully for examinations and assessments. Pupils will become increasingly fluent, over time, in their ability to study independently.

Expectation of time spent on Independent Learning:

Year	Time spent per subject	Per school day	Per week
7 & 8	<ul style="list-style-type: none"> Approximately 30 - 45 minutes (English, Maths, Science) Approximately 15 - 30 minutes (all other subjects) 	Approximately 1 hour	Approximately 5 hours
9	<ul style="list-style-type: none"> Approximately 30 - 45 minutes per subject 	Approximately 1.5 hours	Approximately 7.5 hours
10 & 11	<ul style="list-style-type: none"> Approximately 45 - 60 minutes per subject 	Approximately 2 hours	Approximately 10 hours
12 & 13	<ul style="list-style-type: none"> Approximately 240 minutes per A-level or BTEC Extended Certificate Approximately 480 minutes for BTEC Diplomas Approximately 90 minutes for EPQ or core maths 	Approximately 3 hours	Approximately 15 hours

Year 7X - Angela, Benedict, Charles, Elizabeth, Kolbe
