Classcharts

- You have a code to access ClassCharts:
- This is where homework is and where pupils can send a message to a teacher

Classcharts

It will ask for your
code

The image shows the ClassCharts login page. At the top, there is a navigation bar with the ClassCharts logo (a colorful starburst icon) and the text "ClassCharts Part of tes". To the right of the logo are two circular award badges: "bett AWARDS 2019 WINNER" and "bett AWARDS 2017 NOMINEE". Below the navigation bar is a "Log in" section. It features three tabs: "Teacher", "Parent", and "Student". The "Student" tab is currently selected and highlighted in blue. Below the tabs is a text input field labeled "Pupil code" with a small "X" icon on the right. Below the input field is a checkbox labeled "Remember me" which is checked. To the right of the checkbox is an orange "Log in" button. Below the login form is a message: "To log in and view your report you will need to enter the code provided to you by your teacher." Below this message is a "Log in with:" label followed by a horizontal line. At the bottom of the page are two app store badges: "AVAILABLE ON THE App Store" and "GET IT ON Google play".

ClassCharts

Your homepage is your behaviour, this is where you can see what green and red points you have.

ClassCharts

Check at least every other day for any announcements, these may be about opportunities or important school events

ClassCharts

The screenshot shows the ClassCharts Pupil interface. On the left is a navigation menu with icons and labels: Demo Pupil, Behaviour, Announcements (with a red notification bubble), On-Report Cards, Homework (circled in purple), Timetable, Messages, and Badges. The main content area has a blue header with the ClassCharts logo and 'Pupil of 588'. Below this, it says 'Custom - showing 38 days' and 'Due date: 27/08/2024 - 03/10/2024'. There are two radio buttons: 'Show by issue date' (unselected) and 'Show by due date' (selected). Below these are four summary boxes: '0 tasks due this week', '0 tasks submitted/completed', '0 tasks remaining this week', and a checkbox for 'Requires submission?'. The main task list is a table with five rows, each with a dropdown arrow, a status label in a colored box, and a count of 0.

Task Status	Count
To do	0
Completed	0
Submitted late	0
Not submitted	0
Submitted	0

Homework will need to be checked every day – this will show you what homework you have to complete

Clicking on a task in your list will give you more detail, including when it is due and if you need to add any attachments.

When you have completed the task, check the box that says 'completed'. This will move it from your to-do list to a list for your teacher to check.

The screenshot shows the ClassCharts website interface. On the left is a navigation menu with the following items: Demo (with a user icon), Pupil, Behaviour, Announcements, On-Report Cards, Homework, Detentions, **Timetable** (highlighted with a purple oval), Messages, and Badges. The main content area has a blue header with the ClassCharts logo. Below the header, it shows the month 'Sep' and a calendar for the first six days: 01 (DATE), 02 (Mon), 03 (Tue), 04 (Wed), 05 (Thu), and 06 (Fri). The 03 (Tue) date is highlighted in blue. Below the calendar, a message states: 'No timetable data found for this date.'

If pupils ever lose their timetable, they will be able to check their timetable at home and write down the lessons for that day

ClassCharts

Remember....

- Pupils need to check ClassCharts everyday either before school or afterschool
- Parents/guardians have their own account and will get instant updates about green and red points

ClassCharts

If pupils have any problems logging into ClassCharts please ask them to go to A138 to speak with Mrs Berry at breaktime or lunchtime.

If pupils have any questions about homework they should check with their class teacher.

If you have questions about using ClassCharts and Sharepoint please see Miss A Ong in the maths office at breaktime or lunchtime.

Sharepoint is our new learning platform

You will find it on the School Website under the logins tab

What is Sharepoint

Sharepoint is part of Office365 and allows us to share work within our school.

When you click on the link 'St Paul's Sharepoint' you will need to sign in with your Office account.

The subjects page will contain useful information on curriculum and resources to support learning.

Safeguarding

We would like to remind pupils, parents/carers of the following regarding social media:

- Pupils have a responsibility to remove themselves immediately from any communication where unpleasant or threatening comments are made about others.
- Many Social Media platforms state a minimum age of 13 to hold an account (changing to a legal age of 16 in Spring 2027).
- We would advise parents/carers to check all their children's devices on a regular basis. There are a range of online safety guides and social media support sheets on our school website.

Free School Meals

If your child is entitled to Free School Meals, please make sure you re-apply.

Fresh school = fresh application

Using **Accelerated Reader** at St Paul's

*'There is no such thing as a child who hates to read;
only children who have not found the right book.' –
Frank Serafini*

At its heart, **Accelerated Reader** is simple...

1. A student reads a book.
2. They then take an online quiz about it.
3. Quiz feedback is immediately available to Teachers.
4. Teachers discuss this feedback with the student.
5. The student then responds to this regular feedback and as a result are motivated to make progress with their reading skills.

Appropriate Challenge

Pupils develop reading skills most effectively when they read appropriately challenging books – difficult enough to keep them engaged but not so difficult that they become frustrated. This is their 'Zone of Proximal Development' (ZPD), or as we like to say, **Book Level**.

Students will sit a STAR test 3 times in the academic year (Sept – Feb – June)

The difficulty of each question adjusts to suit each student's abilities.

This particular test determines a student's ZPD (or Book Level), which then kick-starts the Accelerated Reader programme.

Motivation, Incentives and Rewards

Because students receive regular feedback from **Accelerated Reader**, teachers and librarians are given many opportunities to praise students for their successes and to discuss with them what they have been reading.

Building Study Habits in Year 7

Building Study Habits in Year 7

We know that when pupils regularly complete high-quality homework it is associated with a significant increase in outcomes by the end of Year 11.

- ✓ Practice
- ✓ Broaden knowledge
- ✓ Time management
- ✓ Study habits
- ✓ Self-discipline
- ✓ Problem-solving
- ✓ Confidence

Why do we set homework?

How often and how long...

Year	Time spent per subject	Per school day	Per week
7 & 8	• Approximately 30 - 45 minutes (English, Maths, Science) • Approximately 15 - 30 minutes (all other subjects)	Approximately 1 hour	Approximately 5 hours

How can you support your child with their homework?

ENVIRONMENT

- Space
- Resources
- Phones

PLANNING

- Schedule - Plan ahead
- Routine

ENCOURAGEMENT

- Be available to support
- Praise

WELL-BEING

- Promote breaks and exercise
- Remove distractions- TV/Phone

RED POINTS

- Be aware of these by checking class charts.
- Discuss any red points with your child
- Engage in an email conversation with the teacher to ensure a way forward.

What does successful homework completion look like?

- ✓ Happy to share and show you completed work- developing independence and strategic approach over time
- ✓ Taking time to review and improve work
- ✓ Making links to other learning in their homework
- ✓ Curious to know and learn more- they may complete additional reading and research to increase understanding
- ✓ Keen to impress and strives for homework level 4 in their Progress Check.
- ✓ Completed work reflects allocated time it is not rushed.
- ✓ Red stamps for homework are extremely rare.

Progress checks

How is Homework reported?

Homework is measured on a scale of 1 – 4:

- 4 **Each** piece of Homework set during the assessment period has been completed to an exceptional standard.
- 3 **Each** piece of Homework set during the assessment period has been completed to the required standard.
- 2 **One or Two** pieces of Homework set during the assessment period do not meet the required standard.
- 1 **More** than two pieces of Homework set during the assessment period do not meet the required standard.

Please note that if a pupil is absent from school on the day that a piece of Homework is set, then it is his/her responsibility to ensure that work is accessed on ClassCharts or collected from the teacher and a new deadline negotiated if required.

The Assessment Periods are:

Beginning of the Academic Year to PC1

PC1 to PC2

PC2 to PC3
